# SECTION C:FOOD RECIPE THEATRE

- Loaded Mexican street fries

- Instead of nachos have loaded Mexican street fries. They are baked Mexican spiced fries piled high with shredded beef, salsa, guacamole, and cotija cheese. These are different then most fries because most European food and Mexican don't mix but this shows that they can and they will be delicious.

smile, breathe & go slowly

## SECTION E: HASH-TAG-IT!!!

The top hashtags at the moment are shown in the graph beside the text. I think that these hashtags make sense to be top since you would put them at the bottom of posts to get more attention.

The name of the #	The % of people using it
#trending	46%
#viral	9%
#love	7%
#instagram	6%
#tiktok	5%
#explorepage	5%
#follow	4%

# SECTION F: IT'S PHOTO TIME!

- The photos that I picked that represent the category's that also have filters
- The black and white photo represents the second topic that we had to include "something symbolic of the Kodiaks" the photo I chose shows that we represent family and friends
- The water falls is the wonderful thing in nature
- And the abstract thing is the lake thing because it's a certain type of water that is different.

# SECTION G: WHAT'S THE WORD?

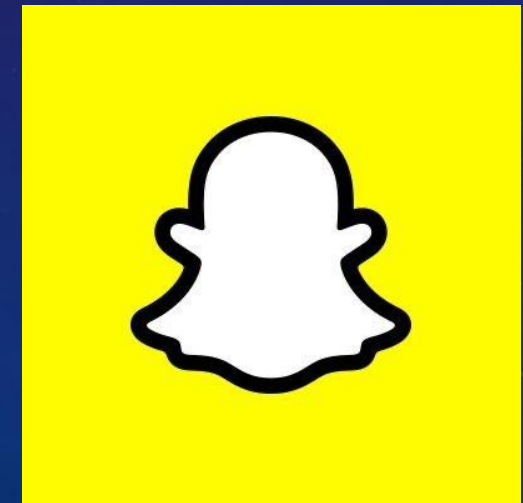

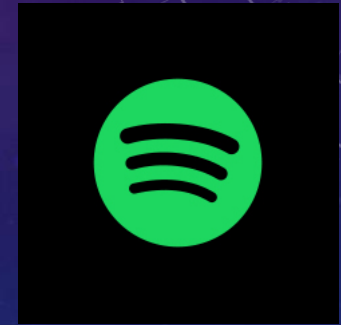

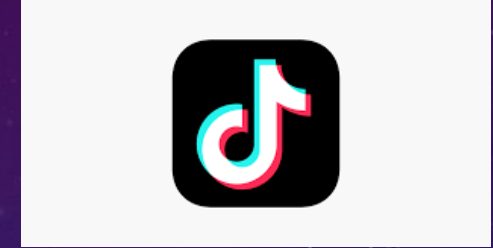

- I got this from <http://purposefultechology.weebly.com/creating-digital-citizens---what-is-digital-literacy.html>

## SECTION H: IT'S APP TIME!

I chose these because they are very common especially in teenagers phones since they like to communicate with others online and Snapchat is one of the main places, lots of people use TikTok because it is a fun thing to do and watch and it is just something to do when your bored and it helps you learn about many new things and people. People use Spotify to listen to music and/or podcasts that are helpful and music is a good way to focus. Lots of people use safari because it is a main place to search up things that can be used as information for other stuff

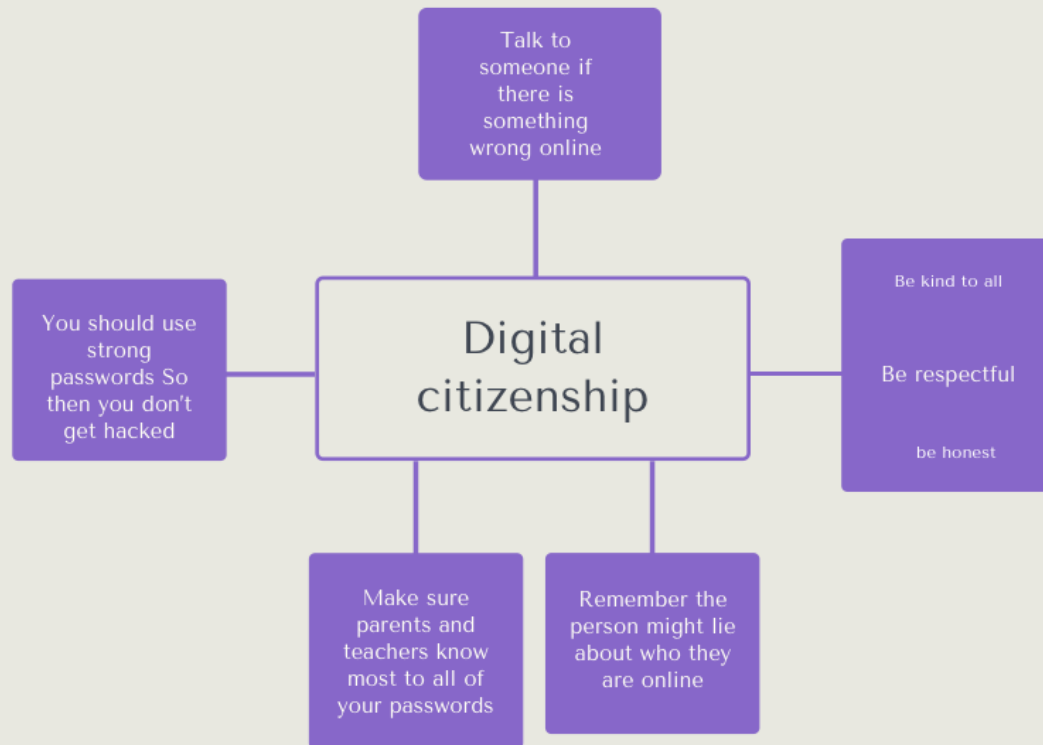

# SECTION I : CODING IS COOL!

- The video I found that is a kid friendly video explaining what coding is : <https://youtu.be/XMZFUUnAgOqs>
- The free online coding game that I found is <https://codecombat.com/play/dungeon>
- I found these by playing the game first to see if it was true and watching the video to see if it made sense.

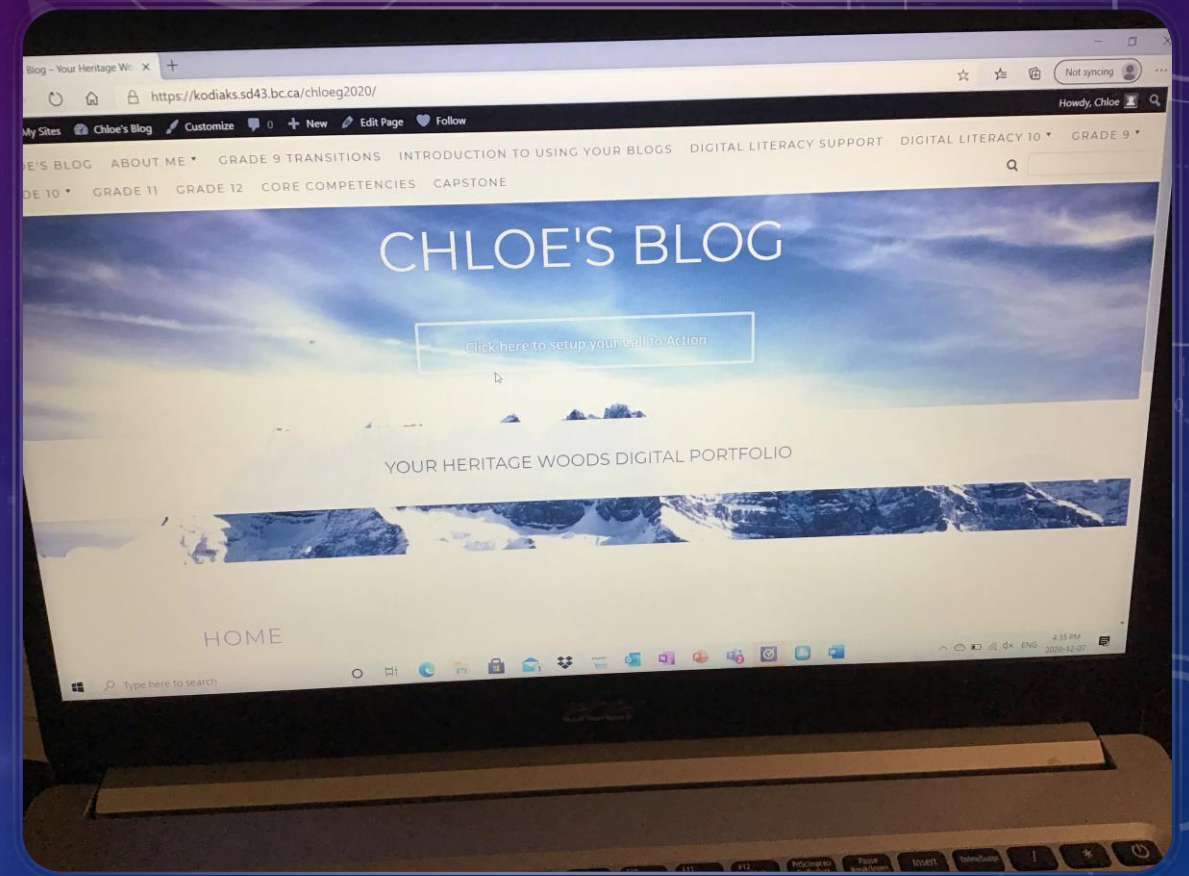

# DIGITAL CITIZENSHIP

## SECTION J: THE DO'S AND DONT'S OF DIGITAL CITIZENSHIP.

- I chose to make a mind map so then it shows you the different things that I thought of and I decided to use my favourite colour purple
- I got this information from <https://www.naesp.org/foundation>
- These tips are helpful for keeping yourself safe

# SECTION K: MY VERY OWN EDUBLOG!

The background features a dark blue gradient with a subtle pattern of white stars. Overlaid on this are several technical diagrams in a lighter blue color. These include circular gauges with numerical scales (e.g., 140, 150, 160, 170, 180, 190, 200, 210, 220, 230, 240, 250, 260), dashed lines, and curved arrows indicating motion or flow. The diagrams are scattered across the left and top portions of the frame.
