

# Justin's digital Scrapbook

# 1. *Socials Minecraft project.*

- I submitted my Minecraft project from socials called " Create Your Own Colony."

<https://education.minecraft.net/get-started/download>

I used Minecraft to build my own Colony because Minecraft is the Best existing building app.

- I used infomercial to persuade customers to buy my product.
- I filmed the video with my friends and edited. After that, I uploaded on youtube.

I don't have any more  
because I came here 2 years ago.
