Don't get a case of the Mondays! Check out these Monday motivation quotes to start your week off on the right track. Share the inspiration and show others how they can get inspired, too.

Although some people might see Monday as the start to a long week, you can make the conscious choice to understand and use the first day of the week to propel you to success and more happiness. Monday should be a day to be enthusiastic and to appreciate how we are blessed to have another week and another day of life; no matter how awesome the weekend was.

WHY I CHOSE THIS BLOG

This blog inspired others in all sorts of ways; spreading positivity, helping people achieve a better mindset, helping people get into a better routine, etc. I chose this blog because whatever you need inspiration with, you'll get it here.

The background features a dark teal color with several light teal hashtag symbols (#) scattered across it. In the center, a large, light grey hashtag symbol is prominent. Surrounding this central symbol are several hands of different skin tones, each holding a smartphone. The hands are positioned as if they are all looking at their phones together. A thin white horizontal line is located just below the main title.
